

MONDAY, NOVEMBER 10, 2008: CONFERENCE AT PACK EXPO INT'L. PROGRAM

Updated 6/11	ROOM	ROOM	ROOM	ROOM
	CONTAINERS & MATERIALS	UPGRADING OPERATIONS	SUSTAINABILITY	BRAND PROTECTION
8:30-09:10am	<i>EZPeel: A Revolutionary Steel Food Can Closure System</i> Michael Vaughn, Vice President, Packaging Innovation Ball Corporation (M01)	<i>Pouch Packaging 2018: What's Next?</i> Charles Murray, Chairman/CEO, PPI Technologies (M05)	<i>Conservation - The First Step to Sustainability</i> Bill Petersen, General Mgr., Sales and Applications Development, Iconotech (M10)	<i>From Recalls to Rewards: Food Safety's Brand Im.</i> Wynn Wiksell, Manager, Pkg. Quality & Regulatory Ops, General Mills and Chairman, Food Safety Alliance for Packaging (M15)
9:20-10:00am	<i>CCMA: The Innovation of New Product Development</i> Michael Mooney, Director, Design Engineering, Constar International (M02)	<i>Packaging Operational Efficiencies Depend Upon Bridging the Mechatronics Skills Gap</i> Steve Berkos, Sr. Plant Controls Engineer, Unilever; James B. Higley, P.E., Professor, Purdue University Calumet (M06)	<i>The Road to Zero Landfill Waste</i> Myles Cohen, Vice President and General Mgr., Recycling Division, Sonoco (M11)	<i>The Economics of Deploying State-of-the-Art Contaminant Detection—Spend a Little, Save a Lot</i> Bob Ries, Product Manager, Metal and X-ray Detection, Thermo Fisher Scientific (M16)
Keynote Presentation 10:10-10:50am	<i>More Safety vs. Less Material? Where does Packaging Go?</i> Betsy Cohen, VP of Sustainability, Nestle			
11:00-11:40am	<i>CCMA- Pouring Into the Future: Integrated Dispensing & Pour Features for Plastic Bottles</i> Michael E. Penny, Principal Engineer & Inventor, Amcor PET Packaging, North America (M03)	<i>Advanced Aseptic Processing: The Next Step in the Evolution of Aseptic Pharmaceutical Production</i> Dr. Jim Akers, Shibuya (M07)	<i>A Brilliant Partnership: Color, Energy & Material</i> Linda Carroll, Market Development Manager, Ampacet (M12)	<i>Anti-Counterfeit Packaging Strategy: Aligning Actions with the Type of Counterfeiters and Counterfeiting</i> John Spink, Director, Michigan State University - Food Safety Center (M17)
11:50-12:30pm	<i>CCMA – Key Industry Trends & Innovation</i> Raj Krishna, Chief Technology Officer, Rexam; Bryan Wesselmann, Director, Global Sales & Marketing, Rexam (M04)	<i>Packaging Execution Systems (PES): An Absolute Necessity</i> Joe Ringwood, COO, Systech International (M08)	<i>Sustainability: What Brandowners Expect from their Packaging Suppliers</i> Tom Taber, Vice President, Strategex Inc. (M13)	<i>IP Issues with Packaging</i> Eduardo Carreras, Partner Woodcock Washburn LLP; Harold Fullmer, Partner, Woodcock Washburn LLP (M18)
12:40-1:20pm		<i>Variable Frequency Metal Detection Technology</i> Martin Lymn, Director, Major Accounts, Loma Systems; Hermann Fleps, Technical Director, Loma Systems (M09)	<i>OEM Perspectives on Innovation & Sustainability</i> Mike Wagner, Global Segment Business Mgr., Rockwell Automation; Darren Elliott, Global Technical Resources Mgr., Rockwell Automation (M14)	<i>Unit Serialization in Production</i> William Fricks, Manager of Software Services, Barry-Wehmiller Design Group, Inc. (M19)
Keynote Room 2:00-2:40pm	<i>PMT Magazine presents the 2008 Packaging Line of the Year</i>			

TUESDAY, NOVEMBER 11, 2008: CONFERENCE AT PACK EXPO INT'L. PROGRAM

Updated 6/11	ROOM	ROOM	ROOM	ROOM
	UPGRADING OPERATIONS	SUSTAINABILITY	PROCESSING	CONTAINERS & MATERIALS
8:30-9:10am	<p><i>Developing the Packaging Workforce of the Future</i> Keith Campbell, Project Manager, Industrial Maintenance Training Center of PA; Scott Sheely, Executive Director, Lancaster County Workforce Investment Board; John DeVere, Dean of Workforce & Economic Development, Reading Area Community College (T01)</p>	<p><i>New Technologies for Lightweighting Polyolefins</i> Terry Glass, Technology Leader Rigid Packaging, Dow Chemical (T06)</p>	<p><i>In-Process Product Traceability: From Concept to Reality</i> Tim Reardon, Industry Marketing Manager, Key Technology, Inc. (T11)</p>	<p><i>The Hole in RFID: Preventing Pharmaceutical Supply Chain Loss</i> Andrew Strauch, VP Product Marketing & Management, MIKOH Corporation (T16)</p>
9:20-10:00am	<p><i>RFID's Impact on Process, Partnerships and Profit</i> Robb Clarke, Associate Professor, MSU School of Packaging (T02)</p>	<p><i>Transforming Waste into Resources</i> Lawrence Mucha, Vice President/Consultant, The ZDM Group LLC (T07)</p>	<p><i>Surface Pasteurization of Particulate Foods – Controlling Moisture and Quality</i> Rainer Perren, Managing Director, RPN Food Technology (T12)</p>	<p><i>Packaging Production Waste & Rework - A Gold Mine</i> Paul Zepf, Director of Engineering, Zarpac Inc. (T17)</p>
Keynote Presentation 10:10-10:50am	<p><i>Packaging Sustainability; From Boardroom to Break Room</i> Trevor Cusworth, Director, Deloitte Consulting LLP</p>			
11:00-11:40am	<p><i>Implementing a World Class Packaging Operation</i> Rick VanDyke, Group Manager of Transformation/Supply Chain, Frito Lay; David Latimer, Technology Leader, Procter & Gamble; Damian Stahl, Managing Partner, Polytron (T03)</p>	<p><i>Tradeoffs in Sustainability in Wrapping</i> Katherine Putnam, President, Package Machinery Company Inc. (T08)</p>	<p><i>Sustainability for Food Plants: From Concept to Operation</i> Jason Duff, Vice President of Design, Stellar, TLC (T13)</p>	<p><i>Designing Rigid Shelf Stable Barrier Packaging</i> Gregory Dixon, Director of Engineering, Spartech Corporation (T18)</p>
11:50-12:30pm	<p><i>Prove It! Does Your Training Make a Difference?</i> Nancy B. Cobb, President, Partners in Possibilities; John Henry, President, Changeover.com (T04)</p>	<p><i>Achieving Sustainability through Adhesive Dispensing Technology</i> Rick Pallante, Marketing Development Manager – Packaging, Nordson Corporation (T09)</p>	<p>CPP TBA (T14)</p>	<p><i>Designing Sustainable Transport Packaging . . . Then Managing It</i> Chris Grimes, Product Development Manager, Rehrig Pacific Company (T19)</p>
12:40-1:20pm	<p><i>Electrical Regulation Compliance for OEMs – What You Don't Know Might Shock (and Cost) You!</i> Mark Lewandowski, Technology Leader – Corporate Engineering, Procter & Gamble Jim Reizner, Technology Section Head-Corporate Engineering, Procter & Gamble (T05)</p>	<p><i>Minimizing Packaging without Compromising Integrity</i> Tom Blanck, Manager, Adalis Corp. (T10)</p>	<p>CPP TBA (T15)</p>	<p><i>Leveraging the Findings of a Corrugated Life Cycle Assessment</i> John Heckman, Vice President, Five Winds International Dwight Schmidt, President, Fibre Box Association (T20)</p>

WEDNESDAY, NOVEMBER 12, 2008: CONFERENCE AT PACK EXPO INT'L. PROGRAM

Updated 6/11	ROOM	ROOM	ROOM	ROOM
	CONVERTING	UPGRADING OPERATIONS	SUSTAINABILITY	PROCESSING
8:30-9:10am	CPP TBA (W01)	<i>Compliance Considerations in Marking and Coding</i> Chuck Ravetto, Director of Small Character Marking, Videojet Technologies Inc. (W06)	<i>Making a Case for Reduced Format Transit Packaging</i> Ralph L. Dillon, Managing Director, Compliance Surety Associates; Joseph Noferi, Director, Compliance Surety Associates (W11)	<i>Drying Technology: Heat Transfer, Energy Optimization, and Sanitation in Through Circulation Drying Applications</i> Peter Zagorzycki, Senior Applications Engineer, CPM Wolverine Proctor LLC (W15)
9:20-10:00am	CPP TBA (W02)	<i>Sustainability - Reframing the Responsibility</i> Peter Nelson Fox, Director of Sales, Delkor Systems, Inc. (W07)	<i>High Density Foam as Alternative to Chemical Foam</i> Jonathan S. Cage, Director of Marketing—Packaging, Spartech Corporation (W12)	<i>Optimizing the Workforce: Can It Save the Plant?</i> Jim Fitzpatrick, VP, Product Architect, Tugboat Software, Inc. (W16)
Keynote Presentation 10:10-10:50am	<i>Keynote Presentation TBA</i>			
11:00-11:40pm	CPP TBA (W03)	<i>Enabling & Deploying Operational Performance</i> Rob Aleksa, Section Head, Procter & Gamble (W08)	<i>Creating a Better Tomorrow Than Today</i> Jay Gehring, Vice President, R&D Packaging, Frito-Lay (W13)	<i>Criteria for Designing Traceability Systems</i> Jarmo Vastapuu, Tetra Pak (W17)
11:50-12:30pm	CPP TBA (W04)	<i>Unleash the Power of Data Collection</i> Ronald Iannacone, President, Factory Intelligence Network (W09)	<i>The United Kingdom's Packaging Sustainability Efforts</i> Richard Bull, Managing Director, Enercon Industries Ltd.; Ryan Schuelke, Sales Manager, Enercon Industries Ltd. (W14)	
12:40-1:20pm	CPP TBA (W05)	CPP TBA (W10)
